Dear OM, 9ALL:

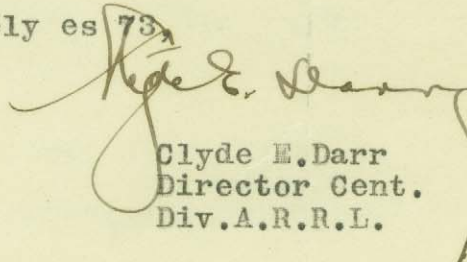

I have your letter regarding the forthcoming Badger A.R.R.L. State Convention and I am very pleased to give my endorsement to it and will advise Headquarters to that effect. I am quite sure that your organization can sponsor a convention and make a real job of it.

If there is any way I can be of service to you, I shall be pleased to do all I can and I will promise to attend if it is within my power.

The program (tentative) seems to be a good one tho I expect you will find it necessary to make minor changes.

Wish you all the good luck possible in the undertaking and do **not** hesitate to call on me if there is any thing I can do for your Club. Thank you very much for the invitation to attend.

Sincerely es 73,

Clyde E. Darr
